Rule 4 – Application/Entrance Fees

Each team will be required to give a **non-refundable application/entrance fee.** The amount will be posted on the application for membership form prior to the start of each season. Rule 5 - Application for Membership

Application for membership will be granted to any organized team that will play its matches in a Bar, Tavern, Club or Association located in **Bergen County, NJ** provided such that the team and location are acceptable to a majority of the League Officers. It is required that each establishment must provide a dartboard and playing location in accordance with Rule #11 for each team being submitted into the league. This is because scheduling cannot always be accommodating for establishments with multiple teams whereas all the teams in the establishment might be playing home on the same week. The league has also opened its borders to include **Hawthorne and Clifton.**

Completed applications from returning teams, which are received at the preseason registration meeting will take precedence. Other completed applications except those from the prior season's waiting list will be chosen by virtue of a blind draw. Membership may be denied in order to arrive at an amount of teams conducive to a proper schedule. Teams denied after the blind draw will be put on a waiting list and will be chosen prior to said draw next year. Any changes in playing locations must be approved by the League Officers.

Rule 6 - Team Rosters and Season Eligibility

Rosters are limited to a 12 player maximum at any one time and will be frozen after **2/3's** of the season. Prior to this, players can be added by providing on the back of that week's white (top copy) score sheet the players name and signature and opposing captain's initials to acknowledge. Players can be removed by noting so on the back of a white (top copy) score sheet. No player may return to a team once they are removed, unless they have not played for another team and has sat out for at least **4 MATCH WEEKS.** If a player does return, win points and all-star points will not be reinstated. **Teams will be penalized (2) points for each player incorrectly added or for each excessive player, (per week until corrected).** **League Officers may deny participation to any player if:**

- (1) A division is too low for their talents
- (2) The player that is being added would have been in placed in a higher division had the player been on the preseason roster.
- (3) If the player's skill level in any other league is found to be greater than the conference they are being added to.

The following penalties will apply:

- (1) **That player will be immediately disqualified and will be suspended from playing in the league until a ruling by the league officers.**
- (2) **All games won by that player will be forfeited to the opposing team for that match.**
- (3) **If the disqualified player continues to play during the time that the league is making a ruling, then that player will be suspended from the league for a period of time determined by the league officers. The team that plays this player could also be penalized.**

- (2) The player has played in less than 1/2 of the season's total matches.

For a transfer to a lower division the League Officers will decide or a poll may take place if necessary. Protests will be honored with the player in question being ineligible until a final decision is made.

Banned Players from a Playing Establishment

In some situations, there are players in the League who have been expelled or banned from particular establishments. The League understands that it is the establishments right to refuse service or entry to any person due to previous events. If a player is banned from the said establishment(s) then that player cannot play at that establishment and league will not have any say in the matter. Another member of the team that is on the existing roster should then replace the person that is banned from the establishment for that match. A new player can be added to the team's roster if it is done prior to the league roster freeze date.

Unruly Behavior

ANY player that acts in a manner that is detrimental to the team, opposing team or the establishment where the match is being played **WILL BE BANNED** for a period of time that will be determined by the League Officers. Causes for banning a player include: Unruly behavior, verbal intimidation that is threatening, extremely poor sportsmanship, lying and/or deception to a league officer or representative of the league or damage to the premises of the establishment. All captains and conference representatives will be notified of the said players banning and time frame for which the banning will occur. Depending upon the severity of the incident the said player could be banned anywhere from a minimum of 2 playing weeks to 1 full year.

Physical Violence

NO TOLERANCE for physical violence (fighting, physical threats) that happens on the night of a match. This will result in an immediate suspension of being eligible to play in the next match for all parties involved in the incident. After the league reviews the situation there will be further suspensions and/or ejections from the league for a period determined by the league officers. All captains and conference representatives will be notified of the said players banning and time frame for which the banning will occur.

The **Hockey (throwing) line** must be clearly marked with tape or a similar flush marking device and shall be at least 2 feet long. The **Hockey line** shall measure from the back edge away from the board, 7’9-1/4” along the floor to a plumb line from the face of the board. There must be at least 3 feet of clean throwing area behind the line. The home team will provide an 18” English Bristle board in good condition. It must be readily available to all players without distraction and firmly anchored at a Bull height of 5’-8” from the floor, (9’ 7-3/8” diagonal from the bull to the front edge of the hockey line).

Lighting must be affixed in such a way as to brightly illuminate the board, reduce shadows and not physically impede the flight of the darts thrown. A scoreboard must be mounted within a reasonable lateral distance from the board. It must be visible to all players so as to enable them to check scores. Upon receipt of any complaints, a League Officer will inspect the situation, ASAP to arrive at a decision. Should any of the equipment not conform to these rules, (7) days will be allotted for the correction (s) to be made with no home matches to, take place until all corrections are approved by an Officer. Subsequent to the (7) days, the Officers may decide to reschedule all future games with no obligation to the non-conforming location. **(Some bars have playing locations that have been grand fathered in that do not meet all specified regulations)**. In the event of overcrowding at any given location on any given night the captains may agree to reschedule. The Board will decide all protests regarding overcrowding or excessive noise.

Rule 12 - Scoring, Touched Darts, and Thrown Darts

For a dart to score it must remain in the board for **at least 3 seconds after the FINAL dart has been thrown** by that player or until the dart is touched. The tip of the point at the point of entry must be touching the bristles and must be completely within the area of pie of the dartboard. **No dart may be touched by any person prior to the decision of the scorekeeper.** If a **player or team member** touches his own dart while it is in the board during his turn, that turn will be deemed as completed, and if the score keeper has any doubt to the exactness of any dart, that dart will not score. If **any other person** touches a dart while in the board, the score of those dart(s) will be agreed upon by both captains then removed so that the remainder of the darts can be thrown. If there is any doubt as to the exactness of any dart, that dart will score to the favor of the thrower.

At all times the score keeper and captains should try to amend any such situations to the best of their capabilities keeping good sportsmanship in mind. For a dart to be considered thrown the players arm must be in the forward direction towards the dartboard. Thrown darts bouncing, falling out, or missing the board will **not be re-thrown**. In the event that a distraction takes place during a throw, the dart may be re-thrown. A certain amount of distraction is unavoidable.

Rule 13 - The Scorekeeper

Home teams are responsible for furnishing a scorekeeper; the away team may furnish a caller. After each turn the Scorekeeper shall announce what has been thrown. If the caller sees an error he shall announce it at this time. It is the player's responsibility to verify his score prior to removing any darts from the board. The score remains as written after any darts have been removed from the board. Scoring errors discovered after darts have been removed shall be handled as follows:

- (1) Cricket games shall stand if they are not rectified prior to any further darts being thrown
- (2) 301, 501 and 601 game errors may be rectified if the correction is made prior to that players team throwing any further darts.

Any corrections accepted by all players involved or both captains are permitted and will not be subject to protest. In a team event any player going out of turn shall score -0- for that round and his team shall forfeit the turn. The scorekeeper may inform the thrower what he has scored and/or what he has left any time during that players turn (only if asked). Players are at there own risk in terms of accepting the score's account.

The scorekeeper SHALL NOT SPEAK UNLESS SPOKEN TO BY THE THROWER and MAY NOT inform the thrower in what is left in terms of a number combinations or strategy. Any other person may QUIETLY advise the thrower during the course of a match. The score keeper shall stand as motionless as possible while facing away from the thrower at all times. **DO NOT LEAN TO CHECK ANY DARTS SCORE UNTIL A ROUND IS COMPLETED UNLESS YOU ARE ASKED. DO NOT STATE OR MOTION “CHECK “AFTER A PLAYER DOUBLES ON. IT IS THE PLAYER’S RESPONSIBILITY TO ASK IF HE IS NOT SURE.**

If the Away captain feels that the scorekeeper is a distraction he may ask for a replacement. If none are available, he may offer a scorekeeper of his own. If the home captain does not agree to this then that game shall be awarded to the away

ASSOCIATION OF BERGEN COUNTY DARTISTS (ABCD) LEAGUE RULES 2012 - 2013 SEASON

captain. Complaints should be registered with an Officer in order to monitor the team. The Officers shall decide the handling of a repeat offender.

Rule 14 – Procedurals

Opposing players must stand at least 3 feet behind the Hockey Line. Should a player's equipment become damaged or should a player leave the playing area during a match, that player will be allowed **3 minutes** from his turn or game being called to be on the hockey ready to throw prior to forfeiting his turn or game. Each player shall be allowed a maximum of 2 such instances per match.

Rule 15 - Line-up and Substitutes

Line-up sheets will be filled out 1 category at a time, played then the next category will be filled out and so on (i.e. All 301/501 players are filled in by both teams and played to completion prior to the doubles cricket lineups being completed). Away captains will complete their lineups first. The home captain will then complete their lineup with no reference to the away team's lineup. **All players that have been put in the lineup will be required to play if they are present. A player cannot be substituted if their name is in the lineup and they are available to play. Acceptable circumstances or an agreement with the opposing captain are acceptable for changing the lineup.** As stated in rule #14 players will be given a 5 minute time limit to be on the hockey line ready to throw when their game or turn is called. **A substitute may be added in any instance except for the last match set** as long as they are eligible and immediately available to play. The last match set (Singles Cricket for most or Triples 601) a person will not be allowed to be substituted after the rosters are filled out unless the opposing captain agrees to this, otherwise:

- (1) In a singles game, a forfeit will be declared
- (2) In a doubles or triples game, the game will be played with less than the allotted number of players with the team forfeiting a turn in each rotation at the position of each missing player

If a player joins a game in progress no, warm-ups or delays of any kind will be permitted. If a player's space on the score sheet is left blank when that set of games has begun no player may be added. Any player who is substituted for may **NOT** compete in any of that matches remaining games.

Rule 16 – Postponements

No match may be postponed due to a shortage of players. A match may be played light with as few as **4** players. In the event of inclement weather or an unforeseen emergency, the captains will agree to play or postpone the match by 7:30 PM on the day of the match. The home team captain's shall report postponements to the League Secretary that night. In the event of a disagreement a League Officer must be contacted ASAP to assist in settling the matter.

Postponed matches will be replayed on a date set by both captains. Matches from the beginning of the season till the last match in December have until prior to the first match in January to make up their matches. Matches from the first match week in January till the last match of the season have until the weekend of the last match of the season to make up their matches. **A make-up match date MUST BE sent to the League Secretary within 2 weeks of the cancelled match. If a date is not decided upon by then, each captain will receive a reminder phone call from a League Officer to get an agreed upon date to play the match. If the match is not played within the timeframe stated above, then both teams will receive a score of -0- to -0- for that match.**

Rule 17 - All Star Points

301, 501 & 601 Games

When **95 points** or greater are scored in a single turn, the total point scored shall be added to that players All-star point total. High-Starts only apply to games that require a double on to start the game (301 & 501). High Finishes apply to 301, 501 & 601 games.

Cricket Games

During a single turn All-star points are awarded as follows for the scores of C6 through C9 values, **C-6 = 120, C-7 = 140, C-8 = 160, C-9 = 180.** (E.g. 2 triples and a double would be marked as a C8). For corks: **B-4 = 125, B-5 = 150, B-6 = 180.** When a player throws the dart that wins the game and that dart increases the All-Start point value to a C6 or higher or a B4 or higher, then the All-Star points will count (Example 1, A player needs 3 Bulls to win and hits a Single, a Single then a Double to win the game, this will count as a B4. Example 2, a player needs three 15's and 3 Bulls and hits a Triple 15, Double Bull and Double Bull will count as a C7). Along the same lines when a player throws the dart that wins the game any remaining darts that are thrown after the winning dart will not count towards All-Star points.

Perfect Games

In the event that a person throws a perfect game, this would be from the time that the person first throws the darts during the game, that person will be awarded an additional 700 All-Star points towards their season total. Perfect games are: 301 – 6

ASSOCIATION OF BERGEN COUNTY DARTISTS (ABCD) LEAGUE RULES 2012 – 2013 SEASON

darts, 501 – 9 darts, 601 – 11 darts, Cricket – 8 darts. This also applies to doubles and triples partners. In 301, 501 & 601 games, all darts thrown count towards the game (Example: If a person threw 5 darts to get in then threw the minimum darts to complete the game, this would not be considered a perfect game).

Under no circumstance may a player add All-star points to the score sheet after the carbons have been filled out. Any team doing so will forfeit their remaining matches for the season.

Rule 18 – Forfeited Matches and Games

A match shall be immediately declared a forfeit if:

- (1) A team uses an ineligible player
- (2) A team fails to be present at a scheduled match in accordance with rule #10.

The team winning by forfeit will receive **18 team points**, with the forfeiting team receiving **0 team points**. Upon a team's third forfeit, that team will be disqualified from the League and shall lose all rights to all dues, awards and eligibility to participation in the league tournament.

In the Event of a Forfeited Match:

The captain should fill out the score sheet as normal, with 6 players in each category for all the games. The wins must be "circled" for the players that shall be credited with the "game win". Win Points shall be applied as follows: 2 Points will be given for a win in singles 301 and singles cricket, 1 Point for a win per person in doubles 501, doubles cricket and triples 601 games. Wins that a player receives as noted by the captain when filling out the score sheet will also count towards their playoff eligibility. The sheet is then to be mailed to the league secretary who will then calculate the average all-star points per-game at that point in the season for each game they had been entered in. **(i.e. if a player that averages 25 all-star points per game is entered to get wins in 301, double cricket, & doubles 501, that player would receive 75 all-star points for the week as well as wins for the three games).**

Forfeited Games:

Individual games within the match that is being played may be considered forfeited due to a lack of player(s) of the opposing team (a lack of players is defined in Rule #16 where a team needs a minimum of 4 players to consider the match playable). Any player(s) that cannot play their game because the player is missing to shoot the game shall get the forfeit. (Note that a doubles match can be played with only 1 player). When a forfeited game occurs then the following must happen:

- (1) The game will be marked as an "W" and the win will go to the player who was to face the missing opponent
- (2) The individual player is entitled to "earn" All-Star points by virtue of the following scoring method:
 - The player must announce to the scorekeeper that he/she intends to begin throwing with the game(s) being shot as if were being played. (Doubles starts shall apply in accordance with the game description and you can't score 400 all-star points in 301). The allotted amount of darts per game is as follows:

Single (15) darts; Doubles (12) darts; Triples (9) darts

Win Points shall be applied as follows. 2 Points will be given for a win in singles 301 and singles cricket (Except for D Conference that will give 1 point for singles cricket). 1 Point for a win per person in doubles-501, doubles cricket and triples-601 games.

Rule 19 – Bye Weeks

For scheduled matches involving ejected teams or scheduled bye(s) the following scoring will take place:

1. If a team drops out during the season that creates a bye week or when a bye week is instituted into the schedule at the beginning or anytime during the season, the teams that are scheduled for the bye week will receive **18 points** the first time they play the bye week match and after that **14 points** each other time they play a bye week match.
2. Teams that are in the division with games scheduled as a bye or against a disqualified team shall not receive all-star points or personal win points. The match shall be declared a bye week, with the number of games for playoff eligibility for all players on the team will be decreased by 1. The captain does not need to send in score sheets to the league.
3. Teams that are outside of the division with games scheduled as a bye or against a disqualified team will be awarded wins and all-star points in accordance with **Rule #18 (Forfeited Matches)**. The captain must fill in the score sheet as per **Rule #18 (Forfeited Matches)** and send the score sheet to the league.
4. The League Officers may implement a specialized format if, in their opinion it is in the best interest of the Conference and Division involved.

Rule 20- Protests

All match disagreements should be settled privately between captains. If an agreement can't be reached, the captain will indicate that protest will be filed and the game shall continue under protest if possible. The score sheet will be marked at the

ASSOCIATION OF BERGEN COUNTY DARTISTS (ABCD) LEAGUE RULES 2012 - 2013 SEASON

point of protest, and an official protest must be presented in writing to the League Secretary within 48 hours. If the protest can be settled by a rule interpretation the Secretary will settle the matter. If necessary a poll may take place. The interpretation of the Rules throughout, in relation to specific protest and irregularities, shall rest with the League Officers whose decision is **BINDING**. Protest involving a League Officer's team shall be determined by the other remaining League Officers, if a tie exists then the protest shall be resolved by a poll.

Rule 21 - Result Sheets

Result sheets must be sent to the League Address or faxed to the League Fax number by the Friday following each match. The Home captain is responsible for ensuring that the **ORIGINAL (White sheet)** copy of the result sheet is sent or faxed in each week. The Away captain must send or fax in a carbon copy each week. There will be **1** penalty point given to the team per week until the result sheet is sent in. Repeat offenders may be denied re-entry in subsequent seasons.

Rule 22 - Eligibility for Playoffs & the League Tournament

Player Eligibility

Eligibility is reflected on team individual stat sheets. Each team will receive their opponent's sheet prior to the match. If a "Yes" precedes the player's name that player is eligible. This means that the player has participated in at least 25% of the season's games. If a player's identity is in question, a captain may request, with the assistance of the opposing team captain, to see a photo ID. If none is available, the player must sign the back of the score sheet. If the player does not comply then that player's team shall forfeit the match. A League Officer should then be notified to research the situation if the player is found to be an impostor or if the player refuses to sign the sheet then the player's team will forfeit the entire match. The signature must be submitted to a League Officer within 24 hours of the match in order for us to verify. (We will then set up a meeting with the player whose name was used, requiring a photo ID, and then get another signature for verification).

League Tournament

The A.B.C.D. holds an annual league tournament for its players. This tournament has been split to 2 tournaments. One is for players in the A & B Conferences; the other is for players in the C & D Conferences. Players wishing to compete in the League Tournaments must be playoff qualified at the time of the tournament. Awards will be given out the Winners and Runner-Ups of each event. **No A & B players may play in the C & D tournaments and vice-versa except there will be one woman's tournament in which all conferences will play that will be scheduled during the C&D tournament week.**

Rule 23 - Playoff Format/Seeding

The first week of the finals will be held at the lower seeded team's location and the second week at the higher seeded.

Playoff Seeding

If a 180, C9, 6 Bulls, a 160 or Higher Start/Finish are scored, the sheet must be signed by both captains and sent in to the League Address. All other all-stars do not apply. Win points do not apply either.
